TIRED OUT

The Administration cannot suppose there is any elation in the feeling of the country over the conclusion of the Lusitania. We look forward with dread to the time when the fine rhetoric of Washington will clash with the irony of Berlin over this question. —Colliers.

SUGGESTIONS TO SICK WOMEN

How Many Are Restored To Health.

First.—Almost every operation in our hospitals performed upon women becomes necessary through neglect of such symptoms as backache, irregular and painful periods, displacements, pain in the side, burning sensation in the stomach, bearing down pains, nervousness, dizziness and sleeplessness.

Second.—The medicine most successful in relieving female ills is Lydia E. Pinkham's Vegetable Compound. It regulates and strengthens the organism; it overcomes disease.

For forty years it has been making women strong and well, relieving backache, nervousness, ulceration and inflammation, weakness, displacements, irregularity and periodic pains. It has also proved invaluable in preparing for childbirth and the Change of Life.

Third.—The great number of unsolicited testimonials on file at the Pinkham Laboratory at Lynn, Mass., many of which are from time to time published by permission, are proof of the value of Lydia E. Pinkham's Vegetable Compound, in the treatment of female ills.

Fourth.—Every ailing woman in the United States is cordially invited to write to the Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass., for special advice. It is free, will bring you health and may save your life.

We trust that Dr. Wilson, marching bravely at the head of the Washington preparedness parade, will be able to convince President Wilson of the urgent necessity for greater national defense. —Boston Trans. rpt.

When you hear a fellow constantly grumbling about his luck he is simply advertising the fact that he is getting exactly the luck that he is entitled to.

The Administration having announced that American troops will not be withdrawn from Mexico, the exact date of the evacuation will not be made public until after it has been accomplished.

MAYOR LEADS MOB AT TORREON —CARRANZA SOLDIERS ALSO TAKE PROMINENT PART

Eagle Pass, Texas, June 26.—The United States Consulate at Torreon, Mexico, was demolished June 18 by a mob of 3,000 civilians led by the Mayor of the city and a Carranza army band, according to American refugees arriving here today.

The populace was attending a bull fight, according to the refugees, when de facto government troops forced them to join in an anti-American demonstration.

The mob rushed through the streets shouting, "Death to all the Gringos," and, upon reaching the Consulate, destroyed the furniture and then wrecked the building.

Afterward the mob congregated in the central plaza of the town, where a mass meeting was held. The Mayor and other prominent Mexicans, it is said, addressed the meeting, inciting the populace against Americans, advising that all citizens of the United States be run out of the country.

Among the Americans arriving here with this story are H. G. Boren, J. J. Martin, J. A. Rogers, F. M. Howard, L. H. Speckelmyer, E. A. Porter and his son, Willis Lee, W. H. Sturgeon and family, Mrs. Mary Love and her two sons.

These refugees are en route to their homes in various parts of the United States.

SOLDIERS PARDONED BY KEN- TUCKY GOVERNOR SO THEY CAN JOIN COMPANY

Frankfort, Ky., June 26.—Governor Stanley today pardoned two members of Company C of Lexington, who would have been left at home but for his clemency. They are James Clark, of Lexington, fined and sentenced on a charge of breach of peace, and Ambrose King, of Clark county, charged with housebreaking.

Adjutant General Ellis announced tonight that Lieutenant Walter Gullion, of the regular army, had been elected Captain of the Eminence company.

The Field Hospital and Ambulance Corps, First Regiment, have been ordered to Ft. Thomas tomorrow. The general order for mobilization tomorrow is delayed until companies have recruited sufficient strength.

HUNGRY MEXICANS SCRAP OVER AN ORANGE PEELING

El Paso, Texas, June 26.—With reports that thousands of people in Northern Mexico are on the verge of starvation and that the economic situation daily is becoming more acute, fear is held here that some of the natives may attack an American motor supply train in the hope of obtaining food.

A refugee from Mexico City arriving at the border today said that at the stations in Northern Durango men and women, who no longer had clothing to cover themselves, crowded about the train and cried for food.

He said they fought over bits of orange peeling which a fellow traveler threw from the coach.

GERMAN PEACE TERMS

London, June 26.—Germany's peace terms have been outlined in two letters sent to King Alfonso of Spain, according to a report that reached here from Madrid tonight.

The letters were delivered by the German submarine which made the trip to the Spanish port.

The underwater boat carried three letters to Spain's ruler. Two, it is stated, were that German's proposals are the restoration of the German colonies by the Allies and liberation of Belgium by Germany. However, Germany will insist that Belgium, in case of being given her freedom, must not fortify near the German frontier.
